

Transform the spaces you love

2016/17 Edition

Transform the spaces you love

There are many different options to consider when redecorating a home, but few have as much impact as one of our beautifully crafted doors.

XL Joinery have been at the forefront of the door market for over 25 years, continually introducing innovative door solutions to meet the ever exacting demands of our customers. With a constant flow of new products our ranges regularly set the markets new trends.

Our own delivery fleet, large stock holding, stringent quality control and dedicated after-sales service ensure we are a partner you can always depend on. For you that means the right products, at the right price, when and where you need them.

At XL we are passionate about environmental sustainability with over 90% of our products being FSC® or PEFC™ Certified.

Our due diligence systems ensure we know where the wood in our products is from which means that when you purchase one of our doors, you can rest assured that they have been produced following responsible forestry practices which minimise the impact on the environment.

Internal Doorsets

More convenience, less time

Our new Internal Doorset range is designed to be used on any of our internal doors including Fire Doors. The product comes pre-machined ready for assembly and significantly reduces on site labour requirements.

The product

- 01** Any door from the XL Range
- 02** Any handle from the XL Range (handle supplied loose for transportation)
- 03** Pre-machined door linings in White Primed or Pre-Finished Oak
- 04** Matching loose door stops to suit linings
- 05** Adjustable clip-on hinges pre-fitted to the lining and the door

Features

- Doors come pre-machined for latches and handles
- Latches and Latch Plates are pre-installed
- Doors and linings come with adjustable clip-on hinges pre-fitted for easy installation on site
- Available on all standard doors, door pairs and Fire Doors within the XL range
- Quick assembly time on site.

Fire Doors come with intumescent strips pre-fitted in the linings (Brown on Pre-Finished Oak, White on White Primed). Product is supplied flat pack and ready to assemble on site. All door linings are 25mm thick.

See page 91 for recommended latch sizes. White Primed frames require final finishing. Doors and Handles to be ordered separately.

White Moulded Collection

As you'd expect from XL our White Moulded doors are designed to a higher specification with the following features:

- Lock Blocks on both sides of the door.
- Primed edges on all edges of the door.
- Superior performance to standard White Moulded doors.

Pair Makers

It couldn't be simpler. Just add a pair maker to any of our doors and create your very own French door pair.

Product Description	Code	Size
Pre-Finished Oak Pair Maker	PFOAKPM	To suit 78" high doors only
Contemporary Oak Pair Maker	COAKPM	To suit 78" high doors only
Metric Oak Pair Maker	OAKPMMET	To suit metric sized doors only
Oak Pair Maker	OAKPM	To suit 78" high doors only
White Pair Maker	WHITEPM	To suit 78" high doors only
Pine Pair Maker	PINPM	To suit 78" high doors only

Pair Makers not suitable for the Monza Glazed door.

The Pair Maker can be fitted to either a left or right hand door.

For installation apertures add 10mm to the overall width of the two doors (not including clearance).

Pair Maker is attached to the slave door and acts as a rebate to the other door.

Create
the look

*2no Oak Worcester Glazed Doors
with the Contemporary Oak Pair Maker.*

Easi-Frame

The Easi-Frame system offers the flexible choice of a room divider in numerous configurations. Available in a choice of Oak or White Primed, this range is designed to complement other doors within the XL collection helping to create a harmonious look throughout the home.

Step 1

Measure your opening

Step 2

Choose your door style

Step 3

Decide on the configuration

The Easi-Frame is designed around our standard range of doors with complementary semi and demi panels available to build up the desired configuration.

Create the look

- 1 Two Worcester Glazed Doors with two Semi Panels.
- 2 Two Shaker & Light Doors with two Demi Panels.
- 3 Pattern 10 Glazed Door with two Semi Panels.
- 4 Shaker & Light Door with two Demi Panels.
- 5 Two Pattern 10 Glazed Doors with two Semi Panels.

Oak Easi-Frame Range

Product Description	Code	Size
Oak Easi-Frame Frame	OEASIF	Max size - 2017mm x 3000mm
Pattern 10 Demi Panel	GOSHAP1012C	1981 x 308 x 35mm (12")
Pattern 10 Semi Panel	GOSHAP1024C	1981 x 610 x 35mm (24")
Shaker 4 Light Demi Panel	GOSHA4L12C	1981 x 308 x 35mm (12")
Shaker 4 Light Semi Panel	GOSHA4L24C	1981 x 610 x 35mm (24")
Worcester Semi Panel	GOWOR24	1981 x 610 x 35mm (24")

White Primed Easi-Frame Range

Product Description	Code	Size
White Easi-Frame Frame	WEASIF	Max size - 2017mm x 3000mm
Pattern 10 Demi Panel	GWFP1012C	1981 x 308 x 35mm (12")
Pattern 10 Semi Panel	GWFP1024C	1981 x 610 x 35mm (24")
Shaker 4 Light Demi Panel	GWPSHA4L12	1981 x 308 x 35mm (12")
Shaker 4 Light Semi Panel	GWPSHA4L24	1981 x 610 x 35mm (24")
Worcester Semi Panel	GWPWOR24	1981 x 610 x 35mm (24")

Easi-Frame components are FSC® Certified.
 The White Easi-Frame is double coated and ready for final finishing.
 Frames will need to be cut down on the height as well as the width as allowances have been made for different types of floor coverings.
 In the interest of environmental concerns and improved performance, products contain engineered components including but not limited to laminated timber, MDF or particleboard.

Easi-Slide

Two Pattern 10 White Primed Glazed doors with White Pair Maker.

Create the look

Two Pattern 10 Oak Glazed doors with Contemporary Pair Maker.

The Easi-Slide comes with:

- Frame
- All Sliding Door Hardware (excluding handle)
- Pair Maker

The Easi-Slide system offers a neat solution for a room divider. Various configurations can be used to achieve the desired look (demonstrated below). Available in a choice of Oak or White Primed, the Easi-Slide is designed to be used with standard door sizes within our range.

Step 1

Measure your opening

Step 2

Choose your door style

Step 3

Decide on the configuration

Option 1

2no fixed sidelights and 2no opening doors

Possible door width options

$838 + 838 + 838 + 838\text{mm}$

$838 + 762 + 762 + 838\text{mm}$

$610 + 762 + 762 + 610\text{mm}$

Option 2

2no fixed sidelights and 1no opening door

Possible door width options

$610 + 762 + 610\text{mm}$

$610 + 610 + 610\text{mm}$

$762 + 610 + 762\text{mm}$

Option 3

1no fixed sidelight and 1no opening door

Possible door width options

$838 + 762\text{mm}$

$838 + 838\text{mm}$

$610 + 762\text{mm}$

Product Description	Code	Size
Oak Easi-Slide Frame	OSLIDEF	Max size - 2090mm x 3500mm
White Easi-Slide Frame	WSLIDEF	Max size - 2090mm x 3500mm

Only available on 35mm thick doors.

Easi-Slide components are FSC® Certified.

The White Easi-Slide is double coated and ready for final finishing.

Please include the Pair Maker thickness in your frame width calculations.

Frames will need to be cut down on the height as well as the width as allowances have been made for different types of floor coverings.

If using obscure glazed doors, ensure that the glass is facing the correct way prior to fitting.

In the interest of environmental concerns and improved performance, products contain engineered components including but not limited to laminated timber, MDF or particleboard.

Freefold

Freefold 4 with
two Shaker Clear Glazed doors.

The Freefold system is the ultimate in flexibility. It provides the option to either fold open all doors to create one large room for entertaining or close them to create two separate living spaces. Available in a choice of Oak or White Primed.

Freefold 6 with
6no Pattern 10 Clear Glazed doors.

We also offer a rebated latch for use with Rebated Door Pairs (code REBLATCH).

Latch Size Recommendations: We recommend a 65mm latch for all doors on pages 16-77 with the exception of the following ranges (glazed and panelled doors); Oak and White Primed Shaker 4 Panel, Oak and White Primed Pattern 10, Oak Novara and Oak Emilia, for these ranges we recommend a 75mm latch.

Internal Door Accessories

Our matching internal door accessories add that special finishing touch to your doors. The introduction of Oak architraves and skirtings really takes the interior of a property to another level. The pre-finished range complements our range of doors helping to add a sense of consistent harmony to any property.

Pre-Finishing

Good door decoration is crucial for transforming the spaces you love, that's why we offer a pre-finishing service on all of our internal doors.

The finishing service we supply provides not only stunning looking doors but also a durable solution that will look good for years to come. All doors come with a clear stain to bring out the features and enhance the natural look of the timber.

Oak Emilia
(see page 37)

Oak Piacenza
(see page 43)

Oak Andria
(see page 59)

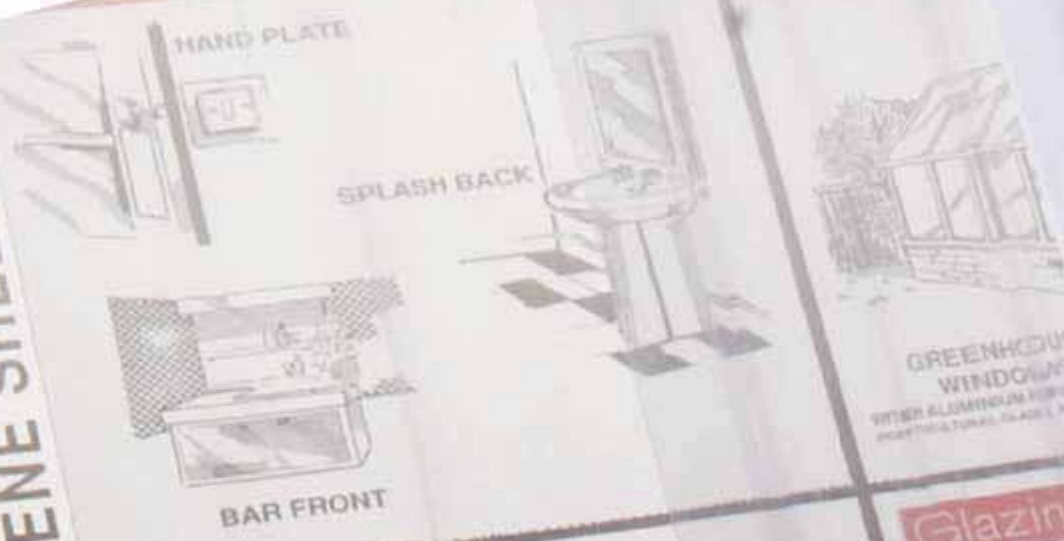

Please maintain regular treatment and care of pre-finished doors. For more advice on treatment and care please visit our website www.tjjoinery.co.uk. Failure to maintain/replenish the finish can invalidate the guarantee.

We do not recommend the use of clear woodstain on external doors as they give the door less UV protection than other coloured stains. We do not recommend the use of wax, polishes or treatment with oils.

About XL

Customer service and support

Our experienced internal sales team cover the whole of the UK and are available to answer any questions you may have. A proactive approach ensures trade customers are kept up to date with promotional offers and new products on a weekly basis.

In addition, our National Sales Managers provide trade customers the support they need with products and services via our Branch Development Programme. This includes help and advice on product ranges and display options tailored to suit your business.

After sales support

We want customers to be absolutely delighted with our products. If a problem arises we don't believe you should be inconvenienced, that's why we employ a team of after sales professionals to deal with any issues. Our team will conduct a site visit then prepare and submit a report to our trade customers so they can notify the customer in order to resolve the issue.

Technical support

Our technical helpline is available from 9.00am to 5.00pm, 7 days a week to answer questions you may have. Call us on 07000 785571.

Products when you need them

We hold over five million pounds worth of stock in our 110,000 square foot warehouse for delivery anywhere in the UK by our own fleet and drivers. The right products when and where you need them, just as it should be.

The Environment

At XL we are passionate about the environment with over 90% of our products being FSC® or PEFC™ Certified. This number increases every year as we work with our manufacturing partners to ensure all of our products come from responsibly managed sources.

We also take this one step further with our ISO 14001 accreditation which ensures all of our management systems are designed in conjunction with environmental considerations. Becoming fully carbon neutral is our next aim.

Quality

It's fair to say we're pretty obsessive about quality at XL. We have to be, as the quality of the products we supply are critical to our business. Our ISO 9001 certification is testament to this and proof of our methodical approach to business.

Every product is inspected by our technical team prior to dispatch and our supply base is monitored constantly to ensure products are manufactured to our exacting standards. It means our quality levels are amongst the best in the industry providing peace of mind for you the customer.

Guarantees

We offer comprehensive guarantees on all the products we supply.

- 10 years on all external and internal timber doors
- 1 year on our white moulded ranges, frames, gates, weather bars and plastic sheeting
- 5 years on our Handle Packs.

For further details of our guarantees please visit our website at: www.xljoinery.co.uk
